Day 1

As soon as you get off the plane we will be there to greet you and take you straight to the hotel of your choice, where you will be able to check in and freshen up. Next you will be taken to a local restaurant to enjoy your dinner. Afterwards you will be shown the beautiful **Sultan Omar Ali Saifuddin mosque** and **Istana Nurul Iman palace** with a photo stop. You will also get to visit the **Gadong Night Market** where you can take in the sights and sounds of an authentic Asian night market. You will then be transferred to your hotel.

Day 2

The rainforest awaits you as we pick you up for an escape to the pristine landscape of Brunei's rain forest. This part of the trip has several different options to suit every taste. Each tour starts with a majestic speedboat ride through the mangroves on route to the Temburong District.

Temburong Experience –

Upon arrival at Bangar Jetty you will be driven a short distance to the working **Iban Longhouse** where you will get the chance to meet the locals and be immersed in cultural activities. After some light refreshments, you will be taken to our very own lodge in heart of the rainforest. Then, our local guides will get your mouth watering with a live cook demonstration of local delicacies. After a lunch on the banks of the gently flowing Temburong river, a long boat ride awaits. You will then get a chance to clean up before departing back to Bangar.

Temburong Adventure –

Upon arrival at Bangar Jetty, you will be driven in air conditioned comfort to our rain forest lodge. Next follows an important safety briefing and then its time to head out on the longboat to the Kayaking point. After an action packed **kayak** down the mini rapids you will be given the opportunity to wash up ready for lunch. The adventure park is your playground as you climb the **Gibbon and Observation Towers**, zoom down the zip line and trek through the jungle. Once you have arrived back at the lodge, afternoon tea will be served on our outdoor terrace. You will then get a chance to clean up before departing back to Bangar.

Best of Temburong –

Upon arrival at Bangar Jetty you will be driven in air conditioned comfort to our rain forest lodge where you will be greeted with morning tea overlooking the gently flowing Temburong River. Next you will get to explore the jungle as the longboats take you to **Ulu Ulu National Park**. Following a short safety briefing you can stroll along the elevated pathways of the lush canopy and its amazing panoramic views. When you return by longboat you can enjoy a traditional Malay lunch with a side order of swimming and relaxation. You will then get a chance to clean up before departing back to Bangar.

As with the start each tour ends with a speedboat water taxi ride back to Bandar Seri Begawan. We will then transfer you back to your hotel where the rest of the day is free and easy.

Day 3

A good morning awaits as you depart from Yayasan jetty and watch the water village come alive as your boat passes by the bustling floating village on the way to mangroves. Moving quietly along the narrow mangrove channels, stopping to listen and look out for the birds and animal species. If you are lucky you will be able to spot the rare **proboscis monkey**. Upon arrival at the water village you will get to walk in between the maze of floating houses and visit a local house. After your visit you will be given a chance to freshen up. Once you have checked out of hotel, you will be given lunch at one of our famous local restaurants before heading out on a guided tour of the capital. You will get a guided tour of the **Royal Regalia** and **Malay Technological** museums and shown around one of the iconic landmark of Brunei the **Jame Asri Mosque**. You will then get a chance to pick up some souvenirs before you are transferred to the airport in plenty of time for your flight.
